**Day 1: Arrival at Jodhpur sightseeing**
• Arrive in Jodhpur on your first day, meet your representative, and then be transferred to your accommodation. Your hotel tour will start after check-in.
• Beginning at Meherangarh Fort, where the Brahmans (the caste of priests) dwelt, you may take in the vista of Jodhpur, also referred to as the Blue City.
• After that, you'll explore all of Jodhpur's regional tourism sites. The day includes a trip to Jodhpur's old city and shopping districts for local sightseeing. Spend the remainder of the day exploring. Stay the night at Jodhpur.

## Day 2: Jodhpur – Jaisalmer
• From a hearty meal drive to the desert city of Jaisalmer. You will get there in 4 to 5 hours.
• You have time to explore Jaisalmer after checking into your accommodation. This mystical sensation is retained as you approach the center and are dropped off at the gates of the old castle town with its hundreds of towers.
• In Jaisalmer, you will sleep in elegance in a genuine, golden haveli in the old town.

## Day 3:  Jaisalmer Dessert
• Your Jaisalmer city traveling will begin after breakfast. During the day, you will visit Jaisalmer Fort, Patwon ki Haveli, Gadsisar Sagar Lake, and Tazia Tower until the evening.
• In the evening, you will visit the Sand Dunes near Jaisalmer. You go into the desert in a jeep and then move to a camel. You leave behind the civilized world to appreciate the barren, enormous expanse of sand.
• The sun can be seen from a Sand Dune, discoloring the environment around you from yellow to blazing orange to black. Look up: there are stars here that we seldom see in other cities in India.
